

Be a Patron Donor of Geeta Dham and become a part of Gurudev's life-long mission !

Gurudev's untiring efforts and severe penance for welfare of society over five decades culminated in the establishment of Geeta Dham.

The establishment of the Dham to serve as a beacon light through its world-wide network of Geeta Ashrams is the anchor of His mission.

Spiritual events, learning sessions and social welfare programs are conducted alongside each other at Geeta Dham, key among which are :

- The Cow farm (Goshala) that is a protection/ care centre, as well as an indigenous breed development centre.
